FARMER'S WIFE TOO ILL TO WORK

**A Weak, Nervous Sufferer
Restored to Health by Ly-
dia E. Pinkham's Veg-
etable Compound.**

Kasota, Minn.—"I am glad to say
that Lydia E. Pinkham's Vegetable
Compound has done more for me than
anything else, and I
had the best physi-
cian here. I was so
weak and nervous
that I could not do
my work and suffer-
ed with pains low
down in my right
side for a year or
more. I took Lydia
E. Pinkham's Veg-
etable Compound, and now I feel like a
different person. I believe there is
nothing like Lydia E. Pinkham's Veg-
etable Compound for weak women and
young girls, and I would be glad if I
could influence anyone to try the medi-
cine, for I know it will do all and much
more than it is claimed to do."—Mrs.
CLARA FRANKS, R. F. D. No. 1, Maple-
crest Farm, Kasota, Minn.

Women who suffer from those dis-
tressing ills peculiar to their sex should
be convinced of the ability of Lydia E.
Pinkham's Vegetable Compound to re-
store their health by the many genuine
and truthful testimonials we are con-
stantly publishing in the newspapers.
If you have the slightest doubt
that Lydia E. Pinkham's Vegeta-
ble Compound will help you, write to
Lydia E. Pinkham, Medicine Co.,
(confidential) Lynn, Mass., for ad-
vice. Your letter will be opened,
read and answered by a woman,
and held in strict confidence.

The Santa Fe is the most comfortable summer route to Cali-
fornia. All roads cross the western desert country, but the
Santa Fe crosses it at its narrowest point. Annoyance of
dust and smoke is prevented by oil-sprinkled road-bed and
oil-burning engines. Sleepers and chair cars on through
California trains are equipped with patent ventilators.

Out of its Banks

For the seventh or eighth time
the Mussel Fork came out of its
banks and spread over the bot-
toms. This is about the world's
record for the creek. The water
Sunday was as high as it has
ever been this summer and some
say that it was a little higher.
It would be safe to say however,
that it was about as high as it
has been this summer and let it
go at that.

Collector Returns Fees

T. J. Douglas, former collect-
or for Dunklin County, paid
back into the county treasury
\$3000 of \$5000 fees he had taken
in excess of what he was entitled
to. The state examiners re-
ported \$5000 due from Douglas
but before suit against him
which was threatened, a com-
promise was effected.

Buy 2200 Lambs

Feeding lambs at \$8.45 and a
very heavy demand for this class
of sheep and breeding ewes at
very high prices were features
of the sheep market here this
week the week ending Sept. 10.
Littrell & Wilcox of Chariton
county, Mo., bought here within
the last few days more than
2,200 head of lambs. These were
good western lambs, averaging
around 60 lbs. with a few going
over that weight. These lambs
will be put right on feed, and
within six weeks or two months
they will be ready for market.—

It Isn't Your Town It's You

If you want to live in the kind of
a town
Like the kind of a town you
like,
You need't slip your clothes in a
grip
And start on a long, long hike.
You'll only find what you left
behind,
For there's that's really new,
It's a knock at yourself when
you knock your town.
It isn't the town—it's you.
Real towns are not made by men
afraid
Lest somebody else gets ahead.
When everyone works and no-
body shirks
You can raise a town from the
dead,
And if, while you make your
personal stake
Your neighbors can make one,
too.
Your town will be what you
want to see,
I isn't the town—it's you.
—Cincinnati Rotary Club.

Burned a Barn

The lightning last Friday night
destroyed a barn at the farm of
James Hershey five miles north
of town. The structure was hit
by the lightning at 12:30 o'clock
and there was no way of saving
it as the blaze spread rapidly and
before anything could be done
the barn and contents went up
in smoke. Not a thing was saved
from the barn, which had hay,
harness and other articles there-
in. There was no stock in the
barn at the time or they probably
would have been lost as there
was no time to save anything.
The structure and contents were
a total loss. Mr. Hershey was
not at home at the time, being
in California. Mrs. Hershey said
the loss would not be known
until Mr. Hershey returned from
the west.

Joseph Speichinger

Joseph Speichinger of near
Mendon was found in his bed,
dead, Monday morning Septem-
ber 6. He died of apoplexy. He
He had not enjoyed the best of
health but apparently was al-
right on retiring Sunday night.
No inquest was held. Deceased
was born in Illinois and was 61
years of age when he died. He
was married three times, eleven
children being born to the three
marriages. His third wife, with
five of her children, survive his
death. The funeral was at St.
Raphael's church at Indian
Grove and interment was in the
cemetery adjoining.

Elmer's Marital Troubles

Elmer Dysart of Sumner who
married a young girl recently,
after settling it with his father-
in-law, got in bad with the law
of Linn county. He was summon-
ed there for making a false affi-
davit to secure the marriage li-
cense. But, with the fatherinlaw
along, he giving consent to the
marriage, the prosecutor quash-
ed the complaint. Not, nothing
remains for Dysart but for him
to make good on the job.

HAVE YOU WEAK LUNGS?

Do colds settle on your chest or in your
bronchial tubes? Do coughs hang on, or
are you subject to throat troubles?
Such troubles should have immediate
treatment with the strengthening powers
of Scott's Emulsion to guard against
consumption which so easily follows.
Scott's Emulsion contains pure cod liver
oil which peculiarly strengthens the res-
piratory tract and improves the quality of
the blood; the glycerine in it soothes and
heals the tender membranes of the throat.
Scott's is prescribed by the best special-
ists. You can get it at any drug store.
Scott & Bowne, Bloomfield, N. J.

Bought Sawdust

Even the sawdust finds a sale.
Many people wondered what
would become of the big mounds
of sawdust that were left near
the sawmills of the Hunt tim-
ber camps in the Applegate tim-
ber near here. It turns out that
they are not waste. A man was
here a week ago to see about
buying this sawdust. It was to
be loaded on cars here and ship-
ped. The dust is used in mak-
ing floor sweeps, where it is
compounded with about an equal
quantity of sand and then some
oil; it is used on the floors of the
packing houses and some butcher
shops to catch the drops of blood
that fall to the floor; and it is
also used in the packing houses
to smoke meats. The hickory
wood which is used to smoke the
meats burns too rapidly so the
packing house employees use the
sawdust to smother the log fires
somewhat, which produce plenty
of the desirable smoke and do
not burn so rapidly.

Afraid of Storms

Did you ever canvass the situ-
ation to see how many people
are afraid of storms? Some are
afraid of the wind, others the
lightning but there is a powerful
big lot of people who will sit up
and take a distinct notice when
the wind begins to hum and the
lightning begins to sizzle and
pop. In the past few weeks,
the storm "fans" have had their
inning and have been busy dodg-
ing.

"I have used Chamberlain's

They are worth their weight in
